

New SL-DOG[®] Mobile App Available Now

InfoSense is excited to launch a **new and improved** SL-DOG[®] mobile application! The new SL-DOG mobile app offers the same great functionality, but with a **new and improved** user experience.

Make sure to download our new mobile app to avoid any disruption to your SL-RAT program and take advantage of future updates.

Look for the New App

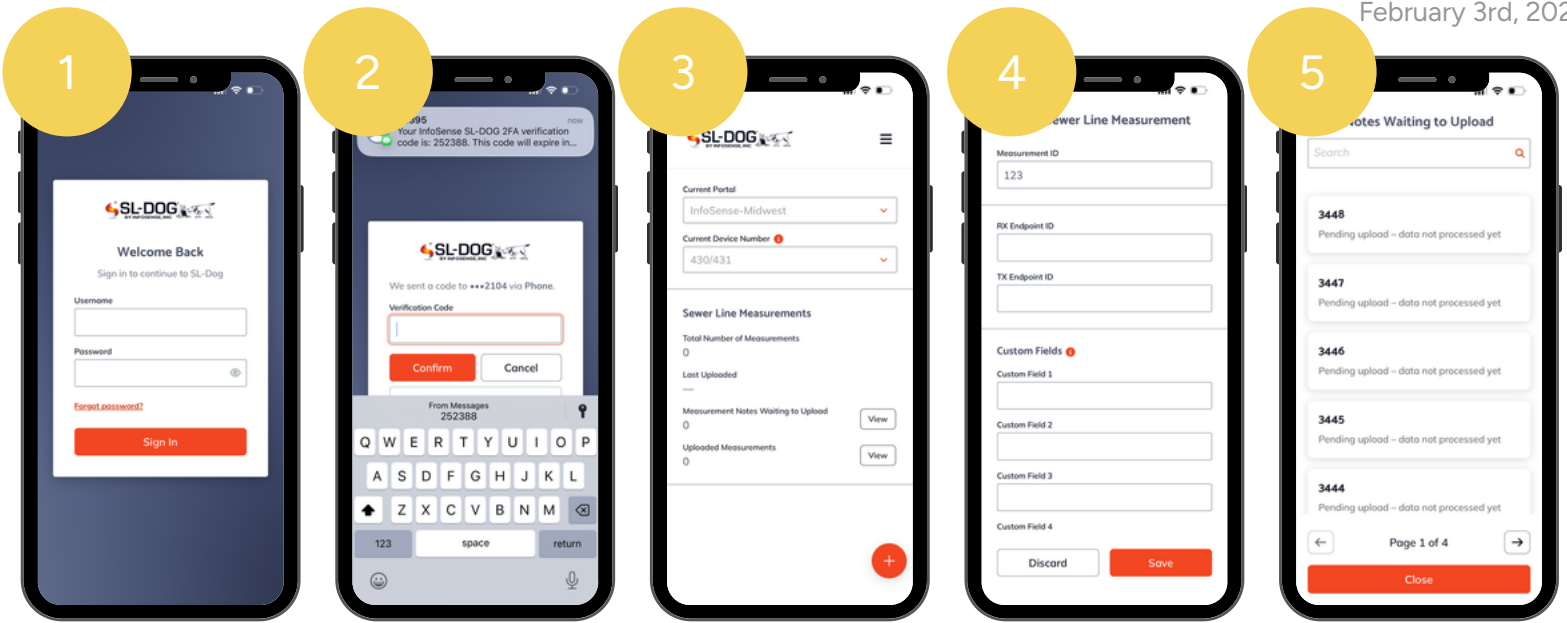

Available on Apple and Android

Old

New
